### Air Refreshner Premium

#### Operation

#### How to operate

**1** Switch on the diffuser by pressing the ON/OFF-Button for 1 second. The device will start to operate. Initial fragrancing phase in which 30 sec. of fragrancing will take place for a total of 5 times with a stand by interval of 5 min. between each diffusion. The diffuser will start to operate with its factory settings once the initial fragrancing phase is over.

**2** Press the intensity level button and see the set level of fragrancing. Choose your desired level of fragrancing by pressing the same button repeatedly.

15 min. standby,  
10 sec. fragrancing
